

# VACANCY

**We're looking for a talented Interior Designer to design and develop visually stunning retail spaces. The ideal candidate will have a strong portfolio, excellent communication skills, and ability to work under tight deadlines.**

## **Responsibilities:**

- Design and develop retail store concepts, layouts, and visual merchandising strategies
- Collaborate with architects, contractors, and project managers to ensure seamless execution
- Create 2D and 3D designs, renderings, and presentations
- Stay up to date with industry trends and retail design best practices

## **Requirements:**

- 3+ years of interior design experience, preferably in retail
- Degree / Diploma in Interior Design or related field
- Proficient in Auto Cadd Revit, SketchUp
- Excellent communication, project management, and problem-solving skills
- Experience with sustainable design principles
- Knowledge of retail operations and customer experience strategies

**This is a permanent full-time position**
